INFORMATION CIRCULAR

(containing information as at October 17, 2017 unless otherwise noted)

PERSONS MAKING THE SOLICITATION

This Information Circular is furnished in connection with the solicitation of proxies being made by the management of Canada Energy Partners Inc. (the “Corporation”) for use at the Annual and Special Meeting of the Corporation’s shareholders (the “Meeting”) to be held on Wednesday, December 6, 2017 at the time and place and for the purposes set forth in the accompanying Notice of Meeting. While it is expected that the solicitation will be made primarily by mail, proxies may be solicited personally or by telephone by directors, officers and employees of the Corporation.

All costs of this solicitation will be borne by the Corporation.

APPOINTMENT AND REVOCATION OF PROXIES

The individuals named in the accompanying form of proxy are directors or officers of the Corporation. **A SHAREHOLDER WISHING TO APPOINT SOME OTHER PERSON (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR THE SHAREHOLDER AND ON THE SHAREHOLDER’S BEHALF AT THE MEETING HAS THE RIGHT TO DO SO, EITHER BY INSERTING SUCH PERSON’S NAME IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY AND STRIKING OUT THE TWO PRINTED NAMES, OR BY COMPLETING ANOTHER FORM OF PROXY.**

To be valid, a proxy must be dated and signed by the shareholder or by the shareholder’s attorney authorized in writing. In the case of a corporation, the proxy must be signed by a duly authorized officer of or an attorney for the corporation.

The completed proxy, together with the power of attorney or other authority, if any, under which the proxy was signed or a notarially certified copy of the power of attorney or other authority, must be delivered to Computershare Investor Services Inc., of 8th Floor, 100 University Avenue, Toronto, Ontario, Canada M5J 2Y1 at least 48 hours (excluding Saturdays, Sundays and holidays) prior to the time of the Meeting, or any adjournment(s) or postponement(s) thereof, or with the Chairman of the Meeting prior to the commencement of the Meeting.

A shareholder who has given a proxy may revoke it by an instrument in writing executed by the shareholder or by the shareholder’s attorney authorized in writing or, if the shareholder is a corporation, by a duly authorized officer or attorney of the corporation, and delivered either to the registered office of the Corporation, at Suite 910, 800 West Pender Street, Vancouver, British Columbia, V6C 2V6, at any time up to and including the last business day preceding the day of the Meeting or any adjournment thereof, or to the Chairman of the Meeting on the day of the Meeting or any adjournment(s) or postponement(s) thereof, or in any other manner provided by law. A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

ADVICE TO BENEFICIAL SHAREHOLDERS

Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Most shareholders of the Corporation are “non-registered” shareholders because the common shares of the Corporation they own are not registered in their names but are instead registered in the names of a brokerage firm, bank or other intermediary or in the name of a clearing agency. Shareholders who do not hold their common shares in their own name (referred to herein as “Beneficial Shareholders”) should note that only registered shareholders may vote at the Meeting.

If common shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those shares will not be registered in such shareholder’s name on the records of the Corporation. Such shares will more likely be registered under the name of the shareholder’s broker or an agent of that broker. In Canada, the vast

majority of such shares are registered under the name of CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which company acts as nominee and custodian for many Canadian brokerage firms), and in the United States the vast majority of such shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many United States brokerage firms and custodian banks). Common shares held by brokers or their nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, brokers/nominees are prohibited from voting shares for their clients. The directors and officers of the Corporation do not know for whose benefit the common shares registered in the name of CDS & Co. and Cede & Co. are held.

Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings unless the Beneficial Shareholders have waived their right to receive Meeting materials. Every intermediary (broker) has its own mailing procedure, and provides its own return instructions, which should be carefully followed in order to ensure that their common shares are voted at the Meeting. The voting instruction form supplied by intermediaries to Beneficial Shareholders is often identical to the form of proxy that is provided to registered shareholders. However, the purpose of the voting instruction form is limited to instructing the registered shareholder how to vote on behalf of the Beneficial Shareholder. Should a non-registered shareholder receiving such a voting instruction form wish to vote at the Meeting, the non-registered shareholder should strike out the names of the Management Proxyholders named in the voting instruction form and insert the name of the person designated by the non-registered shareholder in the blank provided and return the voting instruction form to the intermediary in accordance with the instructions contained in the form, well in advance of the Meeting.

The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("Broadridge"). Broadridge typically prepares a machine-readable voting instruction form, mails those forms to the Beneficial Shareholders and asks Beneficial Shareholders to return the forms to Broadridge, or otherwise communicate voting instructions to Broadridge (by way of the internet or telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of common shares to be represented at the Meeting. **A Beneficial Shareholder who receives a voting instruction form cannot use that form to vote common shares directly at the Meeting. The voting instruction form must be returned to Broadridge (or instructions respecting the voting of the common shares must be communicated to Broadridge) well in advance of the Meeting in order to have the common shares voted.** All references to shareholders in this Information Circular and the accompanying form of proxy and Notice of Meeting are to shareholders of record unless specifically stated otherwise.

Beneficial Shareholders fall into two categories – those who object to their names being made known to the issuers of securities which they own (called "OBOs" – for "*Objecting Beneficial Owners*") and those who do not object to the issuers of the securities they own knowing who they are (called "NOBOs" for "*Non-Objecting Beneficial Owners*"). In accordance with National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("NI 54-101"), issuers may obtain and use the NOBO list for distribution of proxy-related materials directly (not via Broadridge) to such NOBOs.

The Corporation is taking advantage of NI 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* which permits the Corporation to deliver proxy-related materials directly to its NOBOs. As a result, NOBOs can expect to receive a scannable voting instruction form ("VIF") from the Corporation's transfer agent, Computershare. The VIF is to be completed and returned to Computershare in the envelope provided or by facsimile, or a NOBO has the option to submit their proxy vote either by telephone or via the internet in the manner described in the VIF. Computershare tabulates the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the common shares represented by those VIFs.

The Corporation's OBOs can expect to be contacted by Broadridge or their brokers or their broker's agents as set out above. The Corporation will not pay for intermediaries to deliver the Notice of Meeting, Information Circular and VIF to OBOs, and OBOs will not receive the Meeting materials unless their intermediary assumes the cost of the delivery.

These securityholder materials are being sent to both registered and non-registered owners of the securities. If you are a non-registered owner, and the Corporation or its transfer agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf.

By choosing to send this Information Circular to you directly, the Corporation (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering the Information Circular to you; and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

EXERCISE OF DISCRETION

If the instructions in a proxy are certain, the shares represented thereby will be voted on any poll by the persons named in the proxy and, where a choice with respect to any matter to be acted upon has been specified in the proxy, the shares represented thereby will, on a poll, be voted or withheld from voting in accordance with the specifications so made.

Where no choice has been specified by the shareholder, such shares will, on a poll, be voted in accordance with the notes to the form of proxy.

The enclosed form of proxy, when properly completed and delivered and not revoked, confers discretionary authority upon the persons appointed proxyholders thereunder to vote with respect to any amendments or variations of matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting. At the time of the printing of this Information Circular, the management of the Corporation knows of no such amendment, variation or other matter which may be presented to the Meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

As at the date hereof, the Corporation has issued and outstanding 90,394,534 fully paid and non-assessable common shares without par value, each share carrying the right to one vote. Any shareholder of record at the close of business on October 17, 2017 (the "Record Date") who either personally attends the Meeting or who has completed and delivered a proxy in the manner, subject to the provisions described above, shall be entitled to vote or to have such shareholder's shares voted at the Meeting.

The Articles of the Corporation provide that a quorum for the transaction of business at a meeting of shareholders is two persons who are, or who represent by proxy, shareholders who, in the aggregate, hold at least 5% of the issued shares entitled to be voted at the Meeting.

To the best of the knowledge of the directors and executive officers of the Corporation, there are no persons who, beneficially own, directly or indirectly, or exercise control or direction over, shares carrying more than 10% of the voting rights attached to all outstanding shares of the Corporation.

ELECTION OF DIRECTORS

The Board of Directors (the "Board") of the Corporation presently consists of five (5) directors and it is intended to determine the number of directors at five (5) and to elect five (5) directors for the ensuing year.

Stock Option Plans and other Incentive Plans

Pursuant to the Corporation's amended stock option plan (the "Plan"), stock options may be granted to directors, officers, employees and consultants of the Corporation or any subsidiary of the Corporation (the "Participants"). The purpose of the Plan is to provide the Corporation with a share-related mechanism to attract, retain and motivate the Participants, to incent the Participants to contribute to the long-term goals of the Corporation and to encourage the Participants to acquire common shares of the Corporation as long-term investments.

The Plan is a "rolling 10% plan" so the number of common shares reserved for issuance under the Plan shall not exceed 10% of the issued and outstanding common shares of the Corporation as at the date of each granted stock options. The aggregate number of options granted to any option holder in a twelve month period must not exceed 5% of the issued and outstanding common shares of the Corporation, and the maximum number of options which may be granted to insiders within any twelve month period must not exceed 10% of the issued and outstanding common shares of the Corporation, unless the Corporation has obtained disinterested shareholder approval of such grants as required by the TSX Venture Exchange (the "TSXV"). The aggregate number of options granted to any one consultant of the Corporation within any 12 month period must not exceed 2% of the issued and outstanding common shares of the Corporation. Options granted to all persons retained to provide investor relations activities must not exceed 2% of the issued and outstanding common shares of the Corporation in any 12 month period, and such options are subject to vesting provisions. The exercise price of options granted under the Plan is determined by the Board (or a committee thereof) and cannot be less than the market value of the Corporation's common shares as of the date of grant. The

term of the options cannot exceed 10 years, subject to earlier termination after certain events such as the option holder ceasing to hold office or be employed or engaged by the Corporation, or the death or disability of the option holder. The Plan does not provide for mandatory vesting provisions of the options. Options granted under the Plan may contain vesting provisions at the discretion of the Board (or a committee thereof).

In accordance with the policies of the TSXV “rolling 10% plans” must be approved annually by the shareholders of the Corporation. Accordingly, the Corporation will be seeking the approval of its shareholders to the ratification of the Plan at the Meeting. The Plan was last ratified, confirmed and approved by the shareholders at the Corporation’s annual and special meeting held on December 16, 2016.

A copy of the Plan is available upon request from the Corporation and will be available for review at the Meeting. See “*Particulars of Other Matters to be Acted Upon – Ratification of Stock Option Plan*” for details on the annual ratification of the Plan.

Oversight and Description of Director and Named Executive Officer Compensation

Named Executive Officer Compensation

The objective of the Corporation’s compensation program is to compensate the Named Executive Officers for their services to the Corporation at a level that is both in line with the Corporation’s fiscal resources and competitive with companies at a similar stage of development.

The Corporation compensates its Named Executive Officers based on their skill and experience levels and the existing stage of development of the Corporation. Named Executive Officers are rewarded on the basis of the skill and level of responsibility involved in their position, the individual’s experience and qualifications, the Corporation’s resources, industry practice, and regulatory guidelines regarding executive compensation levels.

The Board has implemented three levels of compensation to align the interests of the Named Executive Officers with those of the shareholders. First, Named Executive Officers are paid monthly consulting fees. Second, the Board awards executive officers long term incentives in the form of stock options. Finally, and only in special circumstances, the Board may award cash or share bonuses for exceptional performance that results in a significant increase in shareholder value. The Corporation does not provide medical, dental, pension or other benefits to the Named Executive Officers.

The base compensation of the Named Executive Officers is reviewed and set annually by the Board based on the recommendation of the Compensation Committee. The CEO has substantial input in setting annual compensation levels. The CEO’s compensation is determined by the Board (excluding the CEO), based on the recommendation of

the Compensation Committee formed to conduct research into compensation matters and make a recommendation to the Board. The CEO is directly responsible for the financial resources and operations of the Corporation. In addition, the CEO and Board from time to time determine the stock option grants to be made pursuant to the Plan. Previous grants of stock options are taken into account when considering new grants. The Board awards bonuses at its sole discretion. The Board does not have pre-existing performance criteria or objectives. Bonuses are awarded only in exceptional circumstances.

Compensation for the most recently completed financial year should not be considered an indicator of expected compensation levels in future periods. All compensation is subject to and dependant on the Corporation's financial resources and prospects.

For the Corporation's fiscal year ended April 30, 2017, the significant elements of compensation paid and awarded to each Named Executive Officer were management, administrative and accounting fees paid indirectly to Mr. Jones and management fees paid indirectly by the Corporation to Mr. Boon and Mr. Lee. See "*Statement of Executive Compensation – Table of Compensation Excluding Compensation Securities*" and "*Statement of Executive Compensation – Employment, Consulting and Management Agreements*".

See "*Statement of Executive Compensation – Stock Option Plan and Other Incentive Plans*" for a discussion on incentive stock options that may be awarded to Named Executive Officers. No stock options were granted to Named Executive Officers during the fiscal year ended April 30, 2017.

Director Compensation

The Compensation Committee determines director compensation from time to time and makes recommendations to the Board for their approval. No compensation was paid or is payable to any director of the Corporation for their respective services as a director during the fiscal period ended April 30, 2017. Directors are entitled to be reimbursed for reasonable expenditures incurred in performing their duties as directors, and the Corporation may, from time to time, grant to its directors incentive stock options to purchase common shares in the capital of the Corporation. See "*Statement of Executive Compensation – Stock Option Plan and Other Incentive Plans*" for a discussion on incentive stock options that may be awarded to the directors of the Corporation. No stock options were granted to any directors during the fiscal year ended April 30, 2017.

Recent Significant Changes to the Corporation's Compensation Policies

There have been no significant changes to the Company's compensation policies during the financial year ended April 30, 2017 that could or will have an effect on Named Executive Officer or director compensation.

Pension Benefits

Neither the Corporation nor any of its subsidiaries currently has a pension benefits arrangement under which the Corporation or any of its subsidiaries has made payments to the directors and or Named Executive Officers of the Corporation during its fiscal year ended April 30, 2017 or intends to make payments to the Corporation's directors or Named Executive Officers upon their retirement (other than the payments set out above and those made, if any, pursuant to the Canada Pension Plan or any government plan similar to it).

Board of Directors

The Board currently consists of five directors: John Proust, Kyle Burnett, Benjamin Jones, Jonathan Bahnuik and Winston Purifoy.

Messrs. Kyle Burnett, Winston Purifoy and Jonathan Bahnuik are independent directors as defined in NI 58-101 and NI 52-110. Executive officers are deemed to be not independent of the Corporation. Mr. Jones, as Chief Executive Officer and President, is an executive officer and is therefore not independent. Mr. Proust receives fees indirectly from the Corporation pursuant to the Proust Agreement for management and advisory services to the Corporation and is therefore not independent.

The Board meets periodically during the year to review and discuss the Corporation's business activities and, to consider and if thought fit, to approve matters presented to the Board for approval and to provide guidance to management. In addition, management informally provides updates to the Board periodically, as needed. In general, management consults with the Board when deemed appropriate to keep the Board informed regarding the Corporation's affairs.

The Board facilitates the exercise of independent supervision over management through these various meetings. At present, the Board does not have any formal committees other than its Audit Committee and its Compensation Committee. When necessary, the Board will strike a special committee of independent directors to deal with matters requiring independence. The composition of the Board is such that the independent directors have significant experience in business affairs. At present, the Corporation does not provide a formal orientation and education program for new directors. Prior to joining the Board, potential Board members are encouraged to meet with management and inform themselves regarding management and the Corporation's affairs. After joining the Board, management and the Board provide orientation both at the outset and on an ongoing basis. The Corporation currently has no specific policy regarding continuing education for directors, and requests for education are encouraged and dealt with on an ad hoc basis.

Ethical Business Conduct

The primary step taken by the Corporation to encourage and promote a culture of ethical business conduct is to conduct appropriate due diligence on proposed directors and ensure that proposed directors are of the highest ethical standards. The Board does not currently have a written code of ethics.

Nomination of Directors

Once a decision has been made to add or replace a director, the task of identifying new candidates falls on the Board and management. Proposals are put forth by the Board and management and considered and discussed. If a candidate looks promising, the Board and management will conduct due diligence on the candidate and if the results are satisfactory, the candidate is invited to join the Board.
